

Vertex Receives SAP Certifications

Vertex Inc.

Monday, September 13, 2004

Berwyn, PA, September 13, 2004- Vertex Inc., the world's leading provider of tax management solutions, has received SAP CA-TAX and SAP CA-TAX CRM 4.6 certifications for Vertex O Series making Vertex the only company to have two generations of tax products certified by SAP.

Vertex O Series solutions aid customers in reducing costs associated with tax processing. With solutions for sales, consumer use, and value added taxes, Vertex's integration with SAP standards-based infrastructure for developing reliable business applications allows SAP users to process tax with greater accuracy.

The SAP certifications for Vertex O Series solidify the partnership between Vertex and SAP while guaranteeing mutual customers the most advanced tax technology solutions and services in the industry. Vertex, a member of the SAP Software Partner Program, is listed with certified solutions on the SAP online directory. Vertex builds successful high-value solutions on top of SAP NetWeaver.

"Vertex and SAP have a long-standing partnership, which has brought industry leading tax solutions to joint customers for over 10 years," said Jack Ferraioli, VP, Customer Relationship Development at Vertex. "Through these recent certifications of Vertex O Series, SAP users now have access to a web-based tax solution that ensures consistency and accuracy across sales, consumer, and value added tax processing."
