### **Vertex to Present Latest in Tax Automation at Federation of Tax Administrators Annual Meeting**

*Benefits of automated tax solutions will be offered to tax collection agencies nationwide, June 6-9*

**Berwyn, PA, June 3, 2004** – Vertex Inc., the leading provider of tax technology solutions, has been selected to present on tax automation solutions at the Federation of Tax Administrators Annual Meeting, which will be held June 6-9 at the Westin Hotel in Providence, Rhode Island. Vertex representative, Diana DiBello, Director of Tax, will present “Tax Compliance Automation,” an in-depth presentation on how automated tax solutions can improve a tax revenue agency’s level of service to taxpayers.

DiBello’s seminar aims to help government agencies understand the benefits of tax automation systems and identify the tools and reports that can ease the tax administration process for auditors and taxpayers alike.

The Federation of Tax Administrators, which aims to improve the quality of state tax administration by providing services to state tax authorities and administrators, will bring together the principal tax collection agencies of the 50 states, the District of Columbia, and New York City for their Annual Meeting. The three-day event will include in-depth discussions on legal/policy developments, management and compliance initiatives, and technology developments.
