Vertex Indirect Tax Solution Recognized as an “Acumatica-Certified Application” by the Cloud ERP company

KING OF PRUSSIA, PA – September 22, 2020 – [Vertex, Inc.](https://www.vertexinc.com) (NASDAQ:VERX) (“Vertex” or the “Company”), a leading provider of tax technology and services, announced that its software has been recognized as an Acumatica-Certified Application (ACA). Coupled with Acumatica’s solid foundation, Vertex indirect tax solutions help drive business success by providing customers with the most up-to-date tax rates and rules, real-time calculations, seamless address cleansing, signature-ready PDF returns and more.

Acumatica is a comprehensive, browser-based cloud ERP solution optimized for ease of use, adaptability, mobility, speed, and security. The ACA title highlights outstanding development partners whose applications have met the highest standards set for Acumatica integration and functionality.

“Customers who want to stay competitive need flexible, responsive technology to execute their long-term business strategies,” said Christian Lindberg, vice president of partner solutions at Acumatica. “Our ACA label is built to help customers find applications capable of delivering that. We’re proud to recognize Vertex as an Acumatica-Certified Application. It masterfully utilizes the Acumatica platform to meet customers’ growing business demands.”

Acumatica, the world’s fastest-growing cloud ERP company, was recently recognized as a Leader in the IDC MarketScape: Worldwide SaaS and Cloud-Enabled Medium-Sized/Midmarket Business ERP Applications 2020 Vendor Assessment. To become an Acumatica-Certified Application, Vertex has demonstrated commitment to quality by passing the Acumatica software test and aligning to future Acumatica roadmap releases.

“We’re honored to receive this kind of recognition from the Acumatica developers themselves,” said Paul Beirnes, managing director of partner development at Vertex. “This is a testament to the strength of our tax solutions and the depth of our [integration](#) with the Acumatica platform. The evolution of this partnership with Acumatica and our suite of enhancements will continue to help our clients grow with confidence.”
