

For Immediate Release:

Vertex Indirect Tax O Series is Certified by SAP as Built on SAP Business Technology Platform, Caters to Brazilian Market

King of Prussia, PA – December 13, 2021 – [Vertex, Inc.](#) (NASDAQ:VERX) (“Vertex” or the “Company”), a global provider of tax technology solutions, announced today that its Vertex® Indirect Tax O Series® 9.0 solution is certified by SAP as built on SAP Business Technology Platform (SAP BTP), SAP’s platform for the Intelligent Enterprise. The solution has been enhanced to specifically support the tax requirements for companies operating in Brazil.

“We are pleased to announce that our Vertex Indirect Tax O Series has been certified by SAP as built on SAP Business Technology Platform,” said Brian Wilchusky, director of strategic partner development at Vertex. “This certification is another example of our commitment to SAP and our customers, providing them with assurance that our integrated solutions meet SAP standards and will perform as expected with their SAP® applications. It will prove highly beneficial to businesses in Brazil that use SAP technologies and need to comply with some of the most complex global tax reporting requirements.”

The [SAP Integration and Certification Center](#) (SAP ICC) has certified that Vertex® Indirect Tax O Series® 9.0 is built on SAP BTP, using SAP Integration Suite. SAP BTP helps companies connect and integrate their business processes and data with SAP and third-party applications to make well-informed decisions and meet their evolving needs.

Vertex Indirect Tax O Series is built on SAP BTP, through SAP Integration Suite. Vertex global tax determination solutions help organizations keep up to date with the latest rates and rules for over 19,000 tax jurisdictions worldwide. This new certification means that businesses can have confidence that Vertex solutions perform to technical specifications set by SAP to automate even the most complex tax scenarios.

Vertex is a partner in the SAP PartnerEdge® program. As such, it is empowered to build, market and sell software applications that supplement and build on SAP software and technology. Built on SAP Business Technology Platform and leveraging SAP Integration Suite, Vertex Indirect Tax O Series 9.0 fuels customers to become intelligent enterprises. The SAP PartnerEdge program provides the enablement tools, benefits and support to facilitate building high-quality, disruptive applications focused on specific business needs – quickly and cost-effectively. The program provides access to all relevant SAP technologies in one simple framework under a single, global contract.
