

## Vertex Holds Annual Exchange Europe Tax Technology Conference

[Vertex, Inc.](#) (NASDAQ:VERX) ("Vertex" or the "Company"), a global provider of tax technology solutions, is hosting its annual Vertex Exchange Europe conference. This in-person event will take place in London on 26 April at etc.venues County Hall, situated on London's Southbank and will offer attendees an opportunity to network with peers and gain relevant insights into the latest in indirect tax.

This year's sessions include:

- Director of the WU Global Tax Policy Center, Prof. Dr. Jeffrey Owens, will speak about international policy and global tax reforms, in addition to the challenges and opportunities of a digital roadmap for tax administrations.
- Best practices on how to keep up with the constantly changing tax and regulatory landscape while transforming tax in your business.
- Discussions on how Siemens changed its global ERP landscape, how attendees can approach this change and what opportunities or challenges lie in this journey.
- Insights on ways to embrace the increasing demand to diversify how businesses engage with customers.
- Representatives from Deloitte will review new tax regulations impacting some of their EU and UK clients.
- Focusing on complexities of VAT compliance from the lens of the VAT Manager.
- The practical and viable approach to implementing a tax engine for VAT is based on live customer use cases.

This year, we are also offering attendees the opportunity to schedule a meeting with one of our specialists.
