

For Immediate Release:

Vertex Announces Innovation Award Winners

Recognizing the ingenuity finance, tax and technology professionals are making across their businesses and contributions to the industry

KING OF PRUSSIA, PA – October 25, 2022 – [Vertex, Inc.](#) (NASDAQ:VERX) (“Vertex” or the “Company”), a global provider of tax technology solutions announced the 2022 Innovation Award winners at Vertex Exchange, the industry’s premier tax and technology conference. Exchange connects over 700 Vertex customers, industry experts, and tax professionals from around the world featuring networking, training, and education.

The Innovation Awards program is designed to honor our clients for their unique approach to using Vertex solutions and spotlights the value tax departments bring to their organization. This year’s Innovation Award winners Unisys Corporation, AstraZeneca, and The Walt Disney Company are being recognized and celebrated for their ability to overcome adversities and improve tax compliance, while accelerating business outcomes.

“The theme of this year’s Exchange is Ahead of the Curve, a concept that is truly brought to life by our three Innovation Award winners” said Vertex CEO David DeStefano. “This esteemed group of customers are solving challenges through innovation, ingenuity, teamwork, and technology.”

Vertex Exchange is host to a number of very special on-site programs and activities this year, including our Women in Tax and Technology event, and philanthropy networking event. Vertex would like to thank and recognize this year’s Exchange [sponsors and partners](#) who made it possible for us to network and highlight the latest trends in tax technology.

###

About Vertex

[Vertex](#) is a leading global provider of indirect tax software and solutions. The company's mission is to deliver the most trusted tax technology enabling global businesses to transact, comply and grow with confidence. Vertex provides solutions that can be tailored to specific industries for major lines of indirect tax, including sales and consumer use, value added and payroll.
