## **Vertex Indirect Tax Determination Solution Now an SAP Endorsed App on SAP® Store**

*Delivers an end-to-end cloud-based solution to meet the tax needs of SAP customers*

**KING OF PRUSSIA, PA** – July 20, 2023 – [Vertex, Inc.](#) (NASDAQ:VERX) ("Vertex" or the "Company"), a global provider of tax technology solutions, announced today that its Vertex Indirect Tax Determination for SAP ERP and SAP S/4HANA is now an SAP Endorsed App for the North American region. Learn more about it on the [SAP® Store](#).

Endorsed Apps are a category of solutions from SAP's partner ecosystem that help customers become best-run, intelligent enterprises. Endorsed Apps are selected by SAP for the value they provide to their customers and the proven ability to deliver desired outcomes.

As businesses grow and evolve on a global scale, so do their tax needs. Navigating the ever-changing tax landscape doesn't need to be complicated. Vertex provides SAP customers access to an end-to-end cloud-based solution designed to automate tax calculations, centralize indirect tax determination and enable organizational advancements. The solution connects seamlessly into a company's SAP ERP and business applications to support reliable tax determination and scale to help accelerate business growth.

"Having our flagship product, Vertex O Series Cloud, recognized as an SAP Endorsed App for North America is a significant milestone for Vertex as it acknowledges our 25-plus year partnership and the joint value we provide customers," said Brian Wilchusky, senior director of SAP global partnerships, Vertex. "The Endorsed App distinction and premium certification elevates our partnership, providing SAP customers undergoing a S/4HANA transformation the validation and assurance to turn their tax data into insight and intelligence, improving their overall results."

SAP Endorsed Apps are [premium certified](#) with added security, in-depth testing, and measurements against benchmark results. Achieving this distinction and the premium certification provides customers with increased confidence that SAP has evaluated Vertex against their stringent standards.

"Ecosystem innovations are essential to SAP's vision and delivery of the intelligent enterprise for SAP customers," said Darryl Gray, Global Vice President, Software Partner Solution Monetization & Success at SAP. "We applaud Vertex on achieving SAP Endorsed App status for their O Series Cloud solution. Partners like Vertex are positioned to help us deliver a cloud-first strategy with integrated innovations, proven to provide value while solving key business challenges."
