

Vertex and Microsoft: Accelerating Global Commerce

Leveraging a partnership built on helping businesses transact, comply, and grow with confidence. Vertex provides Microsoft customers with the innovation, expertise, and integrated technology to manage global indirect tax across the ecosystem.

Our Partnership

For more than a decade, Vertex and Microsoft have worked closely together to develop and deliver solutions to help our joint customers extend the value of their Microsoft investments, streamline global tax determination and compliance, and accelerate business growth. Vertex offers a proven suite of Microsoft-validated solutions for Dynamics 365, all available via AppSource, Microsoft's Application Marketplace. That's why Microsoft also relies on Vertex Indirect Tax Solutions to meet its own global business needs.

Superior Customer Experience

- Global team of implementation consultants bring deep functional and technical expertise to every engagement.
- Knowledgeable support specialists available to help maintain optimal performance.

Powerful Benefits

Vertex and Microsoft are focused on improving the tax function and supporting business growth.

Improved tax & IT efficiency

Reduced risk

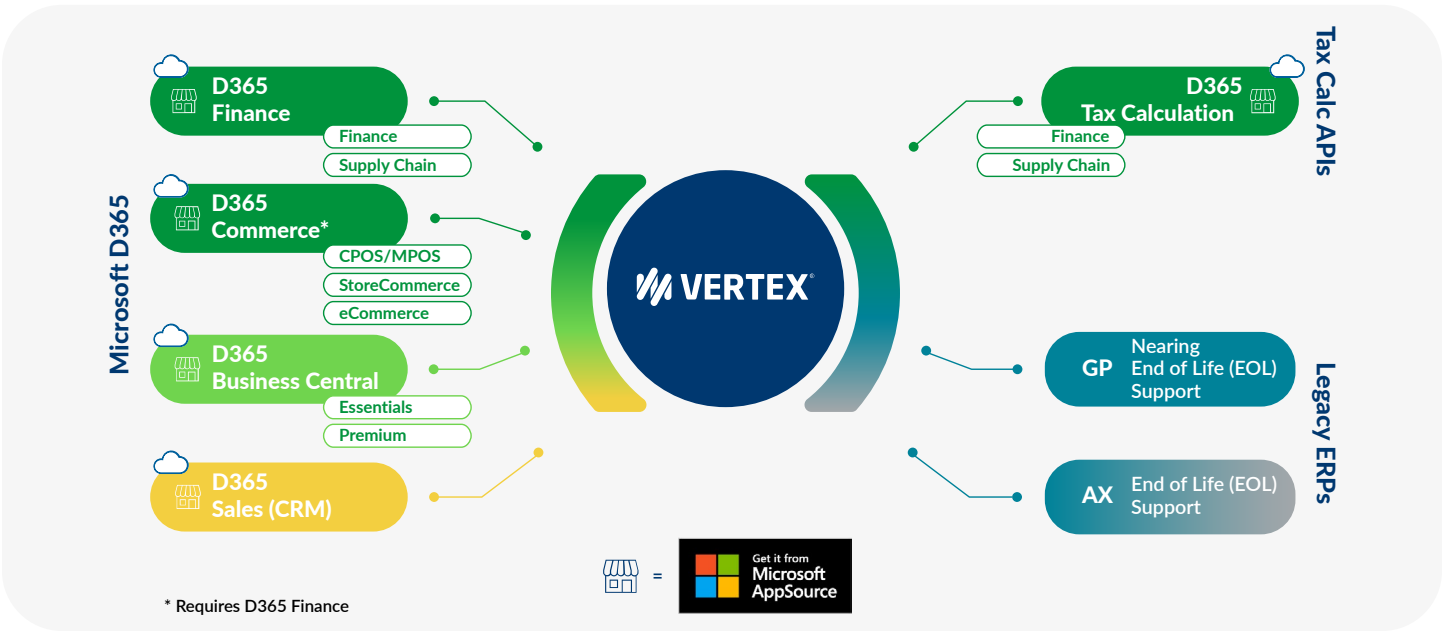

Streamlined tax and IT operations

Improved business scalability

Tax Determination Across the Microsoft Ecosystem

Advanced Technology

Built to meet Microsoft’s standards and guidelines for development, the innovative design of Vertex indirect tax solutions for Microsoft allows them to seamlessly integrate, enabling organizations to quickly take control of tax decisions and make changes with minimal IT assistance.

Vertex solutions are Microsoft-validated so customers can have confidence that solutions will work as expected with Microsoft applications and data. The Vertex solutions are available via the AppSource, Microsoft’s Application Marketplace.

About Vertex

Vertex, Inc. is a leading global provider of indirect tax solutions. The Company’s mission is to deliver the most trusted tax technology enabling global businesses to transact, comply and grow with confidence.
