

# Vertex and Adobe Commerce

## Sales and Value Added Tax Determination

### Improve tax determination with Vertex

Vertex provides powerful, automated global tax compliance solutions for Adobe Commerce to help merchants expand commerce operations without letting tax complexities slow them down. With Vertex for Adobe Commerce, businesses can seamlessly automate global tax determination, registration validation, and invoice compliance to minimize risk and deliver a frictionless customer experience.

#### Robust Integration

Vertex tax solutions for Adobe Commerce integrate seamlessly to simplify the management of tax determination and compliance for even the most complex scenarios. This reduces the burden on your finance, tax, and technology teams, while increasing usability for reporting and returns, and reducing audit risk and exposure.

#### Our Partnership

A trusted partner and leader in the Adobe Commerce ecosystem, Vertex continues to develop and deliver innovative tax solutions to help customers extend the value of their Adobe Commerce investments, streamline tax determination and compliance, and accelerate business growth.

After developing this powerful tax integration, Vertex has been recognized as a Premier Partner in the Adobe Exchange program, providing customers with improved flexibility to meet changing tax requirements, while leveraging comprehensive tax content and advanced infrastructure.

#### Powerful Benefits

Extend the value of your Adobe Commerce solution.

Improved ROI and faster time-to-value with the Vertex tax engine.

Increased efficiency of Finance, Tax, and IT teams.

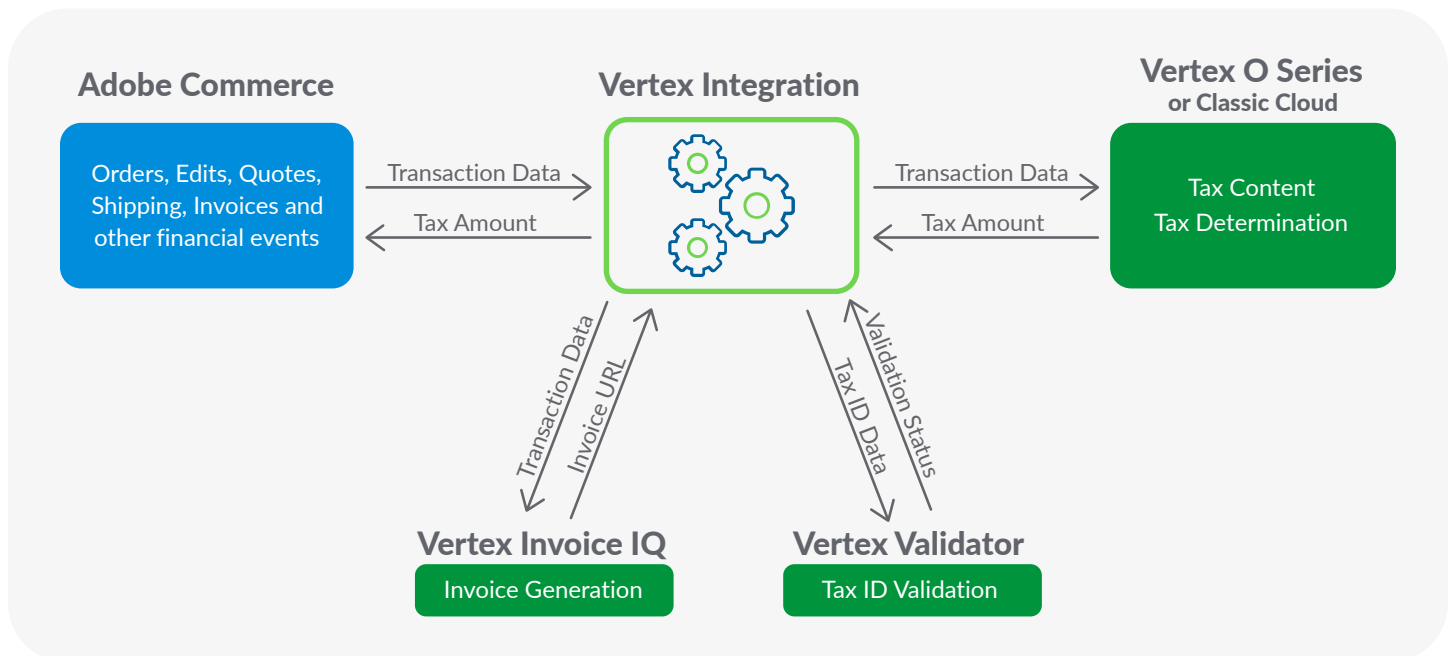

Improved scalability.

Backed by a global Vertex team of Adobe-certified implementation consultants and support specialists.

## Adobe Commerce Merchant Journey Map

Vertex pulls the transaction details from Adobe Commerce to calculate sales tax and VAT in Vertex O Series and send that tax amount back to Adobe Commerce.
