## **Vertex for Coupa Certified as Coupa Total Spend Management Platform Ready**

*Vertex for Coupa now available in the Coupa App Marketplace, providing businesses with a trusted solution to optimize global tax compliance throughout the procurement process*

**King of Prussia, PA – April 9, 2025 - [Vertex Inc.](#)** (NASDAQ:VERX) (“Vertex” or the “Company”), a global provider of tax technology solutions, now offers Vertex for Coupa in the [Coupa App Marketplace](#), connecting businesses with certified, pre-built solutions. [Coupa](#) certified the Vertex for Coupa integration for use within the Coupa Total Spend Management platform. Coupa helps teams collaborate to build more agile and sustainable operations, delivering intelligent and responsible spend strategies to meet their companies’ purpose.

By integrating Vertex’s powerful global tax automation solutions, businesses can ensure consistent, reliable and accurate tax calculations throughout the source-to-pay process across all 50 countries supported by Coupa. Key features of this integration include real-time tax calculation, flexible field mapping, VAT reverse charge support, vendor tax validation, and tax code synchronization.

“Integrating Vertex’s tax automation solutions into the Coupa Total Spend Management platform provides customers with automated, real-time global tax determination solutions that improve compliance and efficiency,” said Bradd Wildstein, Vice President, Indirect Sales at Vertex, Inc. “As a trusted app provider, we look forward to helping our joint customers add efficiency and reduce compliance risk within their procure-to-pay processes.”

As a certified Coupa App Marketplace solution, [Vertex for Coupa](#) meets the requirements established by Coupa through its App Marketplace Partner Program. This [program](#) enables software partners to build complementary solutions that easily connect into the Coupa platform. Customers benefit by extending the capabilities of their spend management platform and solve unique business challenges, while reducing the cost of third-party software integrations.

“With increasing complexities in global tax compliance, the need for automated, precise tax determination is imperative now,” said Nigel Pegg, SVP of Platform at Coupa. “We’re proud to have Vertex on the Coupa App Marketplace to give our customers even greater confidence in managing indirect tax obligations across procurement and accounts payable.”
